APPLICATION FOR 2011-2012 TUITION ASSISTANCE

Name: _____
Last First Spouse

Address: _____ City/Zip: _____ Phone: _____

Tuition assistance applies only toward the cost of tuition. All other fees and contractual obligations (including SCRIP purchases and fundraising obligations) are to be paid by or procured by the family. Account must be kept current at all times.

Tuition assistance grants are based upon the amount of funds available, the need of the family, and are not more than half the tuition cost.

Assumption Catholic School is entirely dependent upon tuition, church subsidies, and fundraising for its operation. If your financial status improves at a later time, you are asked to repay the aid you might receive so that other families might be assisted.

For full consideration, applications must be complete and a signed 2010 1040 Tax Return must be attached. All information submitted here will be held strictly confidential.
