Middle School Schedule & Extended Day Care

Middle School Hours for 2006-2007 7:50-2:35

K-5 School Hours for 2006-2007 8:10-2:25

If you have both a middle school student and a K-5 student, you are to use the Extended Day Program free of charge from 7:50-8:00 a.m. in Mrs. Williams' classroom. Your middle school and K-5 student will line up by the front door by 7:50. Middle School teachers will come to get the middle school students at 7:50 and Mrs. Williams will come to get the K-5 students. Morning Extended Day is only for families with middle school students. **For student safety this is not an option - it is a requirement for siblings and carpool partners of middle school students. They are not to be outside unsupervised before 8:00 a.m.** Other K-5 students may be dropped off at 8:00 a.m. and not any earlier. A teacher is in the plaza area to supervise at that time. The K-5 teachers pick up students in the plaza area at 8:10 a.m.

(Cut and return to school)
